AGENDA ITEM _____

WORK SESSION ITEM WS 3

TO: Mayor and City Council
FROM: City Manager
SUBJECT: Request to Schedule a Closed Session

At the June 1 worksession, Councilmember Bill Quirk requested that the City Council schedule a closed session to discuss the settlement agreement between the City and the former Police Chief. This item appears on the worksession agenda as a matter of procedure not substance, meaning that the Council is not being asked to debate the merits of the request, but rather whether the Council wants a closed session scheduled.
